

# Keep Glass Cleaner for Longer.

With EnduroShield®  
Easy Clean Coating

Glasslines™ now offers  
factory-applied EnduroShield®  
protection for effortless  
maintenance and lasting clarity.

EnduroShield® is an advanced, invisible coating that transforms ordinary glass into an easy-clean, water- and stain-resistant surface. Applied in our factory, it bonds permanently to the glass—reducing cleaning time, protecting against corrosion, and keeping glass looking newer for longer.

Ideal for showers, balustrades, windows, and façades, EnduroShield® helps your customers enjoy spotless glass with less effort and fewer harsh chemicals.

Give your glass the **EnduroShield advantage**—ready to install straight from Glasslines.
